Developmental Disabilities Awareness Month

You are invited to the Barbara Roberts Human Services Building on Wednesday, March 5th, to help Oregon celebrate "**Developmental Disabilities Awareness Month.**"

The Oregon Council on Developmental Disabilities is sponsoring this event, which will include a proclamation from the Governor, presentation of three Developmental Disability Champion Awards and the unveiling of an awareness poster co-sponsored by The Arc of Oregon. The poster will be part of an awareness campaign that promotes voluntary reporting of abuse and neglect of people with developmental disabilities. The theme of the campaign is "Look, Listen, Report."

DHS Director, Bruce Goldberg, M.D., will read the proclamation and present this year's Developmental Disability Champion Awards to Representative Peter Buckley, Representative Carolyn Tomei and advocate Arlene Jones.
