Legislator / Candidate Profile

Name _____ District _____

Your Name _____ E-mail _____

Home Phone _____ Work Phone _____

Visit in person or by phone? _____ Date of Contact _____

Please ask legislators and candidates in your district the following questions:

1. What issues are of greatest concern to this individual?

2. How would this individual solve Oregon's budget problems?

3. Are there other issues that this individual hopes to work on while in Salem?

4. How did this person respond when you explained your interests and concerns?

5. Do you feel this individual is interested in disability issues?

6. Has this person ever visited an Early Intervention / Early childhood Special Education program. Would he/she like to?

7. Has this person ever visited a school classroom with students with disabilities or a special education classroom? Would he/she like to?

8. Has this person ever visited a vocational or residential program for people with disabilities in their community? Would he/she like to?

9. Is this person aware of the Staley Settlement?

10. Would this individual like more information? If so, what kind of information?

11. Did this individual indicate any special experiences, interest or knowledge about disability issues that we should know about?

12. Other observations?
